**REMARKS**

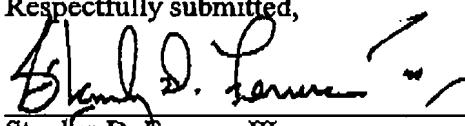

Applicants submit this corrected "Amendments to the Claims"/"Listing of the Claims" section in response to the Notice of Non-Compliant Amendment dated May 24, 2007. The listing of claims previously submitted with the Applicants' Amendment dated May 2, 2007, incorrectly omitted a status identifier of claim 2 when in fact it had been "Original". The status identifier for this claim has been corrected to "Original" in accordance with Patent Office procedures.

It is Applicants understanding that the corrected section submitted herewith shall replace the previous incorrect section and that the remaining sections of Applicants' previous Amendment, dated May 2, 2007, hereby incorporated by reference, including the Applicants' "Remarks" section are to be considered along with this paper.

Finally, it is also understood that the Applicants have been given 30 days in which to provide this response without incurring any additional fees provided no claims to which an additional fee is required have been added; therefore, no fee appears to be required with this timely filed response. If there are any further issues in this application, the Office is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
